GENERAL REQUIREMENTS

- All audio scripts are voiced by WAMU talent
- Creative must be approved by WAMU prior to being displayed on the site
- No third-party survey recruitment is permitted without prior approval
- Ad-blocking via verification services is prohibited
- Creative must be bounded in the allotted space and include a visible border (minimum one pixel)
- The font should be standardized throughout the ad — alternating fonts will be subject to WAMU review
- WAMU reserves the right to reject any creative that uses visual elements that are overly distracting, or uses verbiage not in keeping with public media tone — these may perform poorly with our audience

LEAD TIME AND TRAFFICKING

- Ads must meet noted specifications
- Assets must be provided to your Account Executive no later than three days prior to launch for standard ads, and 10 days prior to launch for expanding and in-display video ads
- Limit of 5 creatives per campaign, 1 creative per campaign for expanding and video ads

MISC. TAGGING GUIDELINES

- DFP-certified third-party tags and basic HTML tags are supported for standard display ads only
- All 3rd party tags must be delivered via https from a server with a valid SSL certificate
- Third-party ads must comply with ad specifications throughout the duration of the campaign and may not be changed without WAMU approval
- For streaming audio ads, third-party ads not accepted but third-party impression tracking is supported
- Include a “target=_blank” attribute in all linkable tags

All sponsorship creative subject to approval. WAMU reserves the right to reject creative based on content or images. Creative should align with the noncommercial tone of public media.
