2021
DIVERSITY, EQUITY, INCLUSION & BELONGING REPORT

MARKET ENGAGEMENT
Over the last two years, Market Enginuity has learned and grown together — focusing on diversity, equity, inclusion and belonging (DEIB) within our organization. We’ve made foundational changes and prioritized company-wide training and education that improve the organization today and for years to come. As a team, we have updated our Core Values, evaluated our policies, and committed to ongoing conversations to continuously grow our awareness.

It’s been a personal journey as well — from understanding the impact on individual team members to the desire to make change. I’m grateful to the many employees who shared their personal experiences and helped me see what we need to do to move the organization forward.

Prioritizing DEIB in 2020-2021 has strengthened our culture, and we are still early in our journey. In the year ahead we will continue our conversations and work to build an inclusive culture that minimizes bias and addresses systemic inequalities to ensure every employee feels valued and respected.

As part of our commitment to systemic change, we are publishing our first Diversity, Equity, Inclusion and Belonging Report. We recognize that DEIB work is an ongoing process of self-awareness. Starting this year, the annual report will hold us accountable to our commitment, documenting our journey with our employees, partners and the clients we serve. Together, we are creating an organization where all team members feel welcome and know they belong.

– Jim
ENGINUITY DEIB MILESTONES

- **JUN 2020**: Added Community Impact Day as paid time off to allow employees time to give back to their communities.
- **JUL 2020**: Deployed Unconscious Bias training for all employees.
- **AUG 2020**: Created DEIB Committee made up of employees from across the company.
- **NOV 2020**: Joined Public Media for All and publicly committed to actions to fight racial injustice in the U.S.; participated in first Day of Action and Education.
- **JAN 2021**: Created company DEIB Statement.
- **FEB 2021**: Launched Enginuity Appreciation monthly communications to celebrate cultural differences; updated our 6 company Core Values to incorporate inclusion; launched Learning Opportunity Speaker Series to facilitate community conversations.
- **OCT 2021**: Conducted company-wide pay equity review.
- **NOV 2021**: Participated in second Public Media for All Day of Action and Education.

**2022**

After a year of education in 2021, we will focus on belonging in 2022 to ensure that our organization is a place where all employees feel that they belong. We will also add Juneteenth as a paid company holiday.

**Bring your whole self to work.**
THANK YOU TO MEMBERS OF OUR ENGINUITY COMMUNITY WHO DEDICATED TIME AND EFFORT ABOVE AND BEYOND THEIR ROLES TO SUPPORT OUR DEIB WORK

Founded in 2020, the DEIB Committee consists of employee volunteers who share a passion for inclusion. The mission of the DEIB Committee is to listen to the organization and identify opportunities for continued growth in our DEIB work. Meeting monthly, the committee is responsible for counseling, advising and suggesting recommendations for the company’s hiring practices, products we represent, marketing language, and processes through the lens of inclusion. They act as champions of diversity, equity, inclusion and belonging within their own teams and the wider organization.

SUPPORTING OUR WORKFORCE

In 2021 we took active steps to diversify our team with the focus on diversity and inclusion.

LAUNCHED BLIND RECRUITING PROCESS
We asked candidates to remove personal identifiable information from résumés including names and addresses that could potentially create an unconscious bias from a hiring manager.

This allowed for equitable vetting of candidates during the hiring process to remove biases, helping us make stronger hires and consider candidates based solely on experience and skills.

INCREASED DIVERSE CANDIDATE SOURCING
We started posting open positions on diverse job boards to source underrepresented candidates.

LAUNCHED CORPORATE TRAINING INITIATIVE
We began building comprehensive sales training for new hires that will ultimately lead to more diversity as we rely less on sales experience and are able to hire well-rounded candidates who can be trained on the job.

“ As a recent new hire, I loved going through the blind résumé process. I felt calmer than ever before as a candidate because I knew I was being judged on my qualifications. I believe this allowed those hiring to better assess my fit for the role and convinced me that Market Enginuity really operated out of its values.”

– Tara

ONGOING COMMITMENTS

"During Market Enginuity’s Caring Conversations Day, I was finally, after 30 years, able to share my full story and whole self at work. The positive response from colleagues across the nation via text, email and calls was overwhelming. I am so grateful for the opportunity."

LOOKING AHEAD

We are excited about the progress we have made since late 2020 on our diversity efforts. Yet, we recognize that this is a journey and not a destination. Focusing on diversity and inclusion is not enough to truly make change. Over the last year we focused on shared language around diversity, providing internal education to align our goals with our values — this year we will take it to the next level.

Because we recognize that when you feel free to be yourself at work, you can worry less, build better relationships and be more productive, 2022 is the year for us to create belonging — ensuring that our organization is a place where everyone, regardless of their background, feels that they belong.

Through on-going education, Ally and Advocate training, and continuing our Caring Conversations, we will center our activities around ensuring we create a safe space in which all employees feel seen, connected, supported and proud to be part of the Market Ingenuity Team.

– Randee

Thank you to the partners who helped us progress our racial equity thinking in 2021. Through thoughtful conversations, our team gained new perspectives to inspire a sense of equity and inclusion.

Bring your whole self to work.

As leaders in mission-driven media, we seek talent as unique as the audiences we help our clients reach. That’s why we are committed to a culture of inclusion where individuals from every walk of life feel respected, are treated fairly, and are provided work-life harmony and an opportunity to excel. Our mindful objectives include curating a diverse workplace where we invite authenticity, encourage curiosity and treasure collaboration.

So, bring yourself to Market Enginuity — your skills, experiences, ideas — where your whole self is welcome.
